In Act 2 Scene 2 we hear of the murder of Duncan, in Macbeth Duncan's murder happens off stage, perhaps to focus more significantly not on the act of death but the moral turmoil and consequences that are incurred, as supported through the critical interpretation that Macbeth is a 'tragic hero'. The first speaker in the scene is Lady Macbeth, "that which hath made them drunk, hath made me bold", it could suggest that she is pleased with the counterpart she played within the ...

WordPress.com. Act 2, Scene 2, Props. March 20, 2016March 21, 2016skim8722. I imagine there being numerous bloody handprints, as seen above, in act 2, scene 2. During this scene, Macbeth kills King Duncan and while doing so, Lady Macbeth describes Macbeth's shouting as if she "heard the owl scream and the crickets cry." (II.ii.21-22) Macbeth is obviously shaken by his horrible act of killing King Duncan and as a result, he is not conscious of what he is doing at the moment.

In act 2 scene 1 of Macbeth, Macbeth imagines a dagger leading him to Duncan. He says, "Is this dagger which I see before me, The handle toward my hand? Come let me clutch thee!" (2.1.49-50). The dagger in the image has a sharp blade that would have made it even more tempting for Macbeth to grab and use to kill Duncan.

Setting in Act 2 of Macbeth plays a major role in the play because it is the act of where Duncan is murdered by Macbeth. Everything in the future is determined by this one act which was a result of the witches' prophecy. Scene one begins with Banquo and Fleance, where they sense something is wrong. The weather is different, and they note that it is unusually dark as "the moon is down" (2.1.2).

I also chose this song to represent scene 6, Act 2 because Romeo and Juliet believe they will never be lonely again and will stay together forever. "Then love-devouring Death do what he dare, It is enough I may but call her mine." (2.6.7-8) Although, it's ironic that they think this, because they die shortly after the marriage, this song can still relate to the scene.

One of the most bracing and critically acclaimed plays in recent Broadway history, *August: Osage County* a portrait of the dysfunctional American family at its finest - and absolute worst. The four 1998 Tony Awards given to the Roundabout Theatre's production of *Cabaret* add to the eight Tonys the musical won in 1966 and the eight Oscars the film version garnered in 1972. Surely one of the most acclaimed and beloved plays of all time, this modern classic is honored for the first time in a lavishly illustrated book. Here is the complete musical book by Joe Masteroff and all the words of the songs written by John Kander and Fred Ebb. It is illustrated with more than 100 photographs and drawings (including 74 in full color) of the original cast of the Roundabout 's smash Broadway production by Joan Marcus, never-before-published backstage photographs by Rivka Katvan, and archival photos of past productions. The accompanying text explores the evolution of the play in all its incarnations, from the 1930 stories of Christopher Isherwood to two films and three stage adaptations. Here are all the fantastic artists who have brought this play to life: Julie Harris (the original Sally Bowles), Joel Grey, Liza Minnelli, Natasha Richardson, Alan Cumming, Ron Rifkin, and directors Hal Prince, Bob Fosse, Sam Mendes, and Rob Marshall. Also featured are original drawings by costume designer William Ivey Long and set designer Robert Brill. For theatre lovers and film fans, for those who've seen the play and those who haven't, this book is an exclusive insider's glimpse into a stage and film phenomenon, one of the most astonishing artistic achievements of our time.

Celebrating the Arthur Miller centennial year, an eye-catching new Penguin Plays edition of the work that established him as a leading voice in the American theater In 1947, Arthur Miller exploded onto Broadway with his first major work, *All My Sons*, winning both the New York Drama Critics' Circle Award for Best New Play and the Tony for Best Author. The play introduced themes that would preoccupy Miller throughout his career: the relationships between fathers and sons and the conflict between business and

personal ethics. This striking new edition adds *All My Sons* to the elegant Penguin Plays series—now in beautifully redesigned covers. Joe Keller and Steve Deever, partners in a machine shop during World War II, turned out defective airplane parts, causing the deaths of many men. Deever was sent to prison while Keller escaped punishment and went back to business, making himself very wealthy in the ensuing years. A love affair between Keller's son, Chris, and Ann Deever, Steve's daughter; the bitterness of George Deever, who returns from the war to find his father in prison and his father's partner free; and the reaction of Chris Keller to his father's guilt escalate toward a climax of electrifying intensity.

"Regular cabs will not travel to the Pittsburgh Hill District of the 1970s, and so the residents turn to each other. Jitney dramatizes the lives of men hustling to make a living as jitneys--unofficial, unlicensed taxi cab drivers. When the boss Becker's son returns from prison, violence threatens to erupt. What makes this play remarkable is not the plot; Jitney is Wilson at his most real--the words these men use and the stories they tell form a true slice of life."--The Wikipedia entry, accessed 5/22/2014.

A Midsummer Night's Dream is a comedy written by William Shakespeare c. 1595 or 1596. The play is set in Athens, and consists of several subplots that revolve around the marriage of Theseus and Hippolyta. One subplot involves a conflict among four Athenian lovers. Another follows a group of six amateur actors rehearsing the play which they are to perform before the wedding. Both groups find themselves in a forest inhabited by fairies who manipulate the humans and are engaged in their own domestic intrigue. The play is one of Shakespeare's most popular and is widely performed.

"Mr. Shirky writes cleanly and convincingly about the intersection of technological innovation and social change." --New York Observer
An extraordinary exploration of how technology can empower social and political organizers For the first time in history, the tools for cooperating on a global scale are not solely in the hands of governments or institutions. The spread of the internet and mobile phones are changing how people come together and get things done—and sparking a revolution that, as Clay Shirky shows, is changing what we do, how we do it, and even who we are. Here, we encounter a woman who loses her phone and recruits an army of volunteers to get it back from the person who stole it. A dissatisfied airline passenger who spawns a national movement by taking her case to the web. And a handful of kids in Belarus who create a political protest that the state is powerless to stop. revelatory examination of how the wildfirelike spread of new forms of social interaction enabled by technology is changing the way humans form groups and exist within them. A revolution in social organization has commenced, and Clay Shirky is its brilliant chronicler.

Christians are supposed to be happy. In fact, we are supposed to radiate joy, peace, and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have. And yet, in today's culture, the vast majority of Christians are perceived as angry, judgmental people who don't seem to derive any joy from life whatsoever. So why aren't we happy? Unfortunately, many Christians are taught early on that God doesn't want us to be happy (he wants us to be holy). In fact, many Christians are laboring under the false notion that God himself is not happy. But nothing could be further from the truth! God does want us to be happy. The Bible is filled with verses that prove that ours is a happy, joy-filled God who not only loves celebrations but also desperately wants his children to be happy. Why else would He go to the lengths He did to ensure our eternal happiness in His presence? We know that we will experience unimaginable joy and happiness in Heaven, but that doesn't mean we can't also experience joy and happiness here on earth. In *Happiness*, noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy, He commands it. The most definitive study on the subject of happiness to date, this book is a paradigm-shifting wake-up call for the church and Christians everywhere.

The piercing work is an extraordinary new departure.
