gold in the American Southwest and his interaction with the Native Americans there.

Presents a brief description of the life and explorations of Coronado as he led Spanish soldiers from New Spain (Mexico) across the southwest in the 1500s.

Spanish legend claimed that there were seven cities built of gold and filled with treasure in the New World. Coronado and his troupe spent three years wandering in the American Southwest discovering only the beauty of the landscape. Today he is seen as a

colonists established a permanent settlement at Jamestown. This book examines the unsuccessful elements of Spain's attempt at expanding its empire in the Americas, focusing particularly on the misadventures of three conquistadors. Part One tells the story of Cabeza de Vaca who, along with three other survivors of the ill-fated Pánfilo de Narváez expedition to Florida, spent nearly eight years among the various tribes that wandered across Texas, New Mexico, and northern Mexico before finding his way back to civilization. Their tales of lands rich with earthly delights served as inspiration for two epic but failed expeditions that make up the second and third parts of the book: Francisco de
