From Richard Matheson, the multi-award-winning Twilight Zone scripter and New York Times bestselling author of I Am Legend and Hell House, comes a haunting ghost story in A Stir of Echoes. Tom Wallace lived an ordinary life, until a chance event awakened psychic abilities he never knew he possessed. Now he's hearing the private thoughts of the people around him-and learning shocking secrets he never wanted to know. But as Tom's existence becomes a waking nightmare, even greater jolts are in store as he becomes the unwilling recipient of a compelling message from beyond the grave... An early pulse-pounding thriller from the Twilight Zone scribe and multi-award-winning author of *I Am Legend*. Vincent was a brilliant pianist, but a disturbed personality. The asylum he was committed to could not hold him. He escaped on an early Sunday morning, bent on revenge against those who betrayed him—his manager and the man who married his lover, Ruth. With his temper spiraling out of control, Vincent pursued his prey without mercy, brutally slaughtering anyone who got in his way. For four hours he would terrorize a community. His rage would not be sated no matter how much blood he spilled. And he refused to let anyone keep him from Ruth ever again . . . Richard Matheson, “ one of the great names in American terror fiction, ” unleashes a relentless novel of chilling suspense in *Fury on Sunday* (*The Philadelphia Inquirer*). “ The author who influenced me the most as a writer was Richard Matheson. ” —Stephen King “ Perhaps no other living author is as responsible for chilling a generation with tantalizing nightmare visions. ” —*The New York Times* “ Matheson ’ s a writer who just has the special knack, the deft skill to imagine terrifying scenarios on any scale, large and small, and give them chilling possibility. ” —*Los Angeles Times*

Collects horror stories such as "Third from the Sun," "Little Girl Lost," "Death Ship," and "Duel," which was the basis for the Spielberg film of the same name.

invasion of Russia had begun. Charged with delaying the enemy's inexorable march on Moscow, a group of Russian officers summon the help of the oprichniki, a band of mercenaries from the outermost fringes of Christian Europe. As rumours of a plague travelling west from the Black Sea reach the Russians, the Oprichniki - twelve in number - arrive. Preferring to work alone, and at night, they prove brutally, shockingly effective against the French. But one amongst the Russians, Captain Aleksei Ivanovich Danilov, is unnerved by the mercenaries' ruthlessness...and as he comes to understand the true, horrific nature of these strangers, he wonders at the nightmare they've unleashed in their midst...
