Dedicated to the Australian Shepherd, the world's most hard-working herding dog and the brightest family dog on the planet, this Smart Owner's Guide, created by the editors at Dog Fancy magazine, offers the most up-to-date and accurate information every dog owner needs to become a well-informed caregiver for his dog. Illustrated with color photographs of adorable puppies and handsome adults, this easy-to-read primer is designed in a modern, lively manner that readers will find user-friendly and entertaining. Each Smart Owner's Guide offers a description of the breed's character and physical conformation, historical overview, and its attributes as a companion dog. The reader will find informative chapters on everything he or she needs to know about acquiring, raising, and training this remarkable purebred dog, including: finding a breeder and selecting a healthy, sound puppy; preparing for the puppy's homecoming, shopping for supplies, and puppy-proofing the home; house-training, veterinary and home health maintenance, feeding and nutrition; and grooming. Obedience training for basic cues (sit, stay, heel, come, etc.) and solving potential problem behaviors (barking, chewing, aggression, jumping up, etc.) are addressed in separate chapters, as are activities to enjoy with the dog, including showing, agility, therapy work, and more. Entertaining tidbits and smart advice fill up colorful sidebars in every chapter, which the editors call "It's a Fact," "Smart Tip," "Notable & Quotable," and "Did You Know?" Real-life heroes and rescue stories are retold in full-page features called "Pop Pups" and "True Tails." Recipes, training, and care tips are highlighted in the "Try This" feature pages. The Smart Owner's Guide series is the only series that offers readers an online component in which dog owners can join a breed-specific online club hosted by dogchannel.com. At Club Aussie, owners of the breed can find forums, blogs, and profiles to connect with other breed owners, as well as charts and checklists that can be downloaded. More than just 20,000 pages of solid information, there's a host of fun to be had at the club in the form of downloadable breed-specific e-cards, screensavers, games, and quizzes. The Resources section of the book includes contact information for breed-related organizations and rescues, as well as practical guidance on traveling with dogs, identification, and locating qualified professionals to assist the dog owner, such as pet sitters, trainers, and boarding facilities. This information-packed Smart Owner's Guide is fully indexed.

Owning an Australian Shepherd is rewarding and fun! Get all you need to know about feeding, training and caring for your dog's health in The Essential Australian Shepherd. Special features include professional color photos and expert tips on how to make your dog a wonderful addition to the family. Learn how to have a great relationship with your pet with The Essential Australian Shepherd.

Who's a good dog? In the tradition of bestselling photography books like Underwater Dogs and Shake comes an adorable and hilarious collection of dog photographs capturing our best friends at one of their favorite moments--treat time. Photographer Christian Vieler caught these eager dogs anticipating, catching--some more successfully than others--and enjoying a scrumptious tidbit. From a tenacious terrier to a goofy golden retriever, these often hilarious and surprisingly beautiful photographs capture each dog's unique personality in a way any dog owner will recognize and that all dog lovers will enjoy!

When does a dog's behavior become too dangerous for even the most loving person to accept? Karen Shanley tackles this question in lyrical prose and brings to life her relationships with three very different dogs: Kiera, Molly, and Magic, who all manage to capture Shanley's heart. Dogs of Dreamtime makes readers take a long, hard look at what matters most in life, and what does not--what can and cannot be controlled. This is a touching story that will stay with readers forever.

In a straight forward, no-nonsense fashion, Mark Manfield illustrates vividly all aspects of your life with your Australian Shepherd and the journey you're about to take together!

From Tim Winton, Australia ' s most decorated and beloved novelist and the author of Cloudstreet, comes The Shepherd ' s Hut, the story of a young man on a thrilling journey of self-discovery in one of the harshest, near-uninhabitable climates on Earth. Tim Winton is Australia ' s most decorated and beloved novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Literary Awards for Best Australian Novel, he has a gift for language virtually unrivaled among writers in English. His work is both tough and tender, primordial and new--always revealing the raw, instinctual drives that lure us together and rend us apart. In The Shepherd ' s Hut, Winton crafts the story of Jaxie Clackton, a brutalized rural youth who flees from the scene of his father ' s violent death and strikes out for the vast wilds of Western Australia. All he carries with him is a rifle and a waterjug. All he wants is peace and freedom. But surviving in the harsh saltlands alone is a savage business. And once he discovers he ' s not alone out there, all Jaxie ' s plans go awry. He meets a fellow exile, the ruined priest Fintan MacGillis, a man he ' s never certain he can trust, but on whom his life will soon depend. The Shepherd ' s Hut is a thrilling tale of unlikely friendship and yearning, at once brutal and lyrical, from one of our finest storytellers.

A fresh, personal account of New Zealand, now, from one of our hardest-hitting writers. Following Once Were Warriors, Alan Duff wrote Maori: The Crisis and the Challenge. His controversial comments shook the country. A quarter of a century later, New Zealand and Maoridom are in a very different place. And so is Alan -- he has published many more books, had two films made of his works, founded the Duffy Books in Homes literacy programme and endured ' some less inspiring moments, including bankruptcy ' . Returned from living in France, he views his country with fresh eyes, as it is now: homing in on the crises in parenting, our prisons, education and welfare systems, and a growing culture of entitlement that entraps Pakeha and Maori alike. Never one to shy away from being a whetstone on which others can sharpen their own opinions, Alan tells it how he sees it.
