People like Michael Porter, Rosabeth Moss Kanter, Adrian J. Slywotzky, Warren Bennis, and Bill George give you a box full of ideas and tools that can boost your career and help you add value to your organization. For example: • Why finance is not just about manipulating numbers but of immense importance in sustaining growth, building widespread wealth, and creating jobs. • The profit zone and how to tell if a business is in one. • The skill of turning an idea or invention into a product that solves a problem for a market. • Merging the need of business to produce and grow with the environment so they are both sustained. • The latest thinking in marketing about branding, pricing, reversing a product's life cycle, and turning what has become a commodity into a specialty. • And much more.

Sharing the essentials of sales, marketing, negotiation, strategy, and much more, the creator of PersonalMBA.com shows readers how to master the fundamentals, hone their business instincts, and save a fortune in tuition.

Revised and updated to answer the challenges of a rapidly changing business world, the 4th edition of The Ten-Day MBA includes the latest topics taught at America's top business schools, from corporate ethics and compliance to financial planning and real estate to leadership and negotiation. With more than 400,000 copies sold around the world, this internationally acclaimed guide distills the lessons of the most popular business school courses taught at Harvard, Stanford, the University of Pennsylvania, the University of Chicago, Northwestern, and the University of Virginia. Author Steven A. Silbiger delivers research straight from the notes of real MBA students attending these top programs today--giving you the tools you need to get ahead in business and in life.

This accessible, step-by-step guide to mastering the skills taught in America's top business schools has been a backlist perennial since publication. It dispenses MBA skills at one percent of the cost, in all the major topics taught at America's "top ten" business schools. MBA applicants and students use it to prepare for entrance interviews and tests; businesspeople, lawyers, and doctors use it to gain the MBA advantage without the time or the expense. This revised edition includes updated sales, salary, and company information throughout. It also discusses areas such as the Internet, game theory, activity-based accounting, and advances in information technology. For the 300,000 budding MBAs annually and for anyone else who wants to "walk the walk and talk the talk" of the MBA, this is the ultimate MBA book of knowledge.

'Anyone who has ever wished they attended a top-ten MBA school now has an alternative. Silbiger's The 10-Day MBA. It distills the basics of a top MBA programme. It's interesting, informative and certainly cheaper. I recommend it!' Tom Fischgrund, author of The Insider's Guide to the Top Ten Business Schools A business classic, The 10-Day MBA provides an invaluable guide for all the people who do not have the time or resources to take a full-time business degree, or who require a short revision aid. Internationally acclaimed, this carefully structured and easy-to-read course will enable you to understand the concepts and jargon used in the business world without having to leave your desk. Here is your chance to become familiar with the key tools and theories taught at Harvard and Stanford and other leading business schools - in just ten days!

The secret to owning the right franchise business is no secret if you understand what it takes to succeed. The single most important factor is preparation. This book will help with your preparation. Designed to help busy professionals understand and apply the concepts and methodologies essential to accurate franchise analysis, this workbook enables readers to test their knowledge and comprehension of the tools and techniques described in The Franchise MBA before putting them to use in real world situations. This informative study guide contains carefully constructed exercises with detailed solutions, as well as specific learning outcomes and franchise component overviews. Internationally renowned franchise authority and author Nick Neonakis presents a personal hands-on companion to the landmark book The Franchise MBA - Mastering the Four Essential Steps to Owning a Franchise, which has become a guide book for individuals, families, and businesses around the world. The success of his principle-centered philosophy of investigating franchise business is based upon his years of real world franchise experience. Now, with The Franchise MBA Workbook, you can further explore and understand this tried-and-true approach to finding the perfect franchise through a wide range of thought provoking exercises. With the same clarity and assurance Neonakis' fans have come to appreciate, this individualized workbook helps readers to fully internalize the 4 Steps approach to finding the ideal franchise through private and thought-provoking exercises, whether they have owned a franchise or not. This workbook offers solutions to both personal and professional questions by promoting and teaching emotional intelligence, integrity, financial honesty, and goal setting. An engaging companion to the renowned classic, The Franchise MBA Workbook will help readers set goals, understand franchising, and create a path to self-sufficient independence.

The 10th anniversary edition of the bestselling foundational business training manual for ambitious readers, featuring new concepts and mental models: updated, expanded, and revised. Many people assume they need to attend business school to learn how to build a successful business or advance in their career. That's not true. The vast majority of modern business practice requires little more than common sense, simple arithmetic, and knowledge of a few very important ideas and principles. The Personal MBA 10th Anniversary Edition provides a clear overview of the essentials of every major business topic: entrepreneurship, product development, marketing, sales, negotiation, accounting, finance, productivity, communication, psychology, leadership, systems design, analysis, and operations management...all in one comprehensive volume. Inside you'll learn concepts such as: The 5 Parts of Every Business: You can understand and improve any business, large or small, by focusing on five fundamental topics. The 12 Forms of Value: Products and services are only two of the twelve ways you can create value for your customers. 4 Methods to Increase Revenue: There are only four ways for a business to bring in more money. Do you know what they are? Business degrees are often a poor investment, but business skills are always useful, no matter how you acquire them. The Personal MBA will help you do great work, make good decisions, and take full advantage of your skills, abilities, and available opportunities--no matter what you do (or would like to do) for a living.

MBA IN A BOOK offers the kind of information graduates of MBA programs ought to have, but usually gain only after years of hard-won experience. This volume contains essential advice about the fundamentals of business, sales, and leadership from some of history's most influential thinkers and doers: entrepreneurs, executives, scholars, statesmen, and philosophers. The business principles section includes wisdom about the fundamentals of business practice and theory and important advice on investment, leadership, management, marketing, and success. The following section includes observations and insights that offer useful sales advice and ingenious techniques. Readers will discover gems of wisdom that address both the daily practicalities and the grand ideals of leadership in the final section. Updated with a new introduction, this valuable collection will provide readers with the keys to mastering timeless and essential business skills. MBA IN A BOOK will inspire, guide, and support anyone interested in mastering the complex strategies that lead to success in business.

An illustrated "instant MBA" degree presented in an engaging, sketch notes-style that that covers all the main concepts taught in a traditional business school program--at a fraction of the cost.
