Revolutionary Penguin CliCs Deluxe Edition

The third volume of one of the greatest novels of the twentieth century Mark Treharne's acclaimed new translation of The Guermantes Way will introduce a new generation of American readers to the literary richness of Marcel Proust. The third volume in Penguin Classics' superb new edition of In Search of Lost Time—the first completely new translation of Proust's masterpiece since the 1920s—brings us a more comic and lucid prose than English readers have previously been able to enjoy. After the relative intimacy of the first two volumes of In Search of Lost Time, The Guermantes Way opens up a vast, dazzling landscape of fashionable Parisian life in the late nineteenth century, as the narrator enters the brilliant, shallow world of the literary and aristocratic salons. Both a salute to and a devastating satire of a time, place, and culture, The Guermantes Way defines the great tradition of novels that follow the initiation of a young man into the ways of the world.

The Red and the Black Stendhal - First published in 1830, The Red and the Black, is widely considered the masterpiece of 19th century French author Marie-Henri Beyle, known more commonly by his pen name, Stendahl. It follows the ambitions of Julien Sorel, a young man raised in the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a series of events, Juliens talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhals unique literary genius, the remarkable way in which he allows readers to live in the minds of his characters. Set against the backdrop of the July Revolution of 1830, The Red and the Black is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.

Between the 18th and 19th centuries, Britain experienced massive leaps in technological, scientific, and economical advancement

Revolutionary Penguin CliCs Deluxe Edition

Reproduction of the original: The French Revolution by Thomas Carlyle

An eye-opening and richly illustrated journey through the clothes worn by artists, and what they reveal to us. From Yves Klein ' s spotless tailoring to the kaleidoscopic costumes of Yayoi Kusama and Cindy Sherman, from Andy Warhol ' s denim to Martine Syms ' s joy in dressing, the clothes worn by artists are tools of expression, storytelling, resistance, and creativity. In ?What Artists Wear, fashion critic and art curator Charlie Porter guides us through the wardrobes of modern artists: in the studio, in performance, at work or at play. For Porter, clothing is a way in: the wild paint-splatters on Jean-Michel Basquiat ' s designer clothing, Joseph Beuys ' s shamanistic felt hat, or the functional workwear that defined Agnes Martin ' s life of spiritual labor. As Porter roams widely from Georgia O ' Keeffe ' s tailoring to David Hockney ' s bold color blocking to Sondra Perry ' s intentional casual wear, he weaves his own perceptive analyses with original interviews and contributions from artists and their families and friends. Part love letter, part guide to chic, with more than 300 images,? What Artists Wear ?offers a new way of understanding art, combined with a dynamic approach to the clothes we all wear. The result is a radical, gleeful inspiration to see each outfit as a canvas on which to convey an identity or challenge the status quo.

The Black Panther Party represents Black Panther Party members' coordinated responses over the last four decades to the failure of city, state, and federal bureaucrats to address the basic needs of their respective communities. The Party pioneered free social service programs that are now in the mainstream of American life. The Party's Sickle Cell Anemia Research Foundation, operated with Oakland's Children's Hospital, was among the nation's first such testing programs. Its Free Breakfast Program served as a model for national programs. Other initiatives included free clinics, grocery giveaways, school and education programs, senior programs, and legal aid programs. Published here for the first time in book form, The Black Panther Party makes the case that the programs' methods are viable models for addressing the persistent, basic social injustices and economic problems of today's American cities and suburbs.

The D.O.D.O. Diet, or Day On, Day Off Diet will help you lose weight quickly and easily whilst dropping fat, building muscle, restoring energy levels and dramatically improving fitness and health (it can help reduce your risk of cancer and diabetes as well as slow the ageing process). Unlike other 5:2 diets, you aren ' t tied to two set diet days a week. Depending on your individual goals you can diet 1, 2 or 3 days a week to get the results you want – and eat whatever you like the rest of the week. The diet is carefully designed by Drew Price, a highly experienced Registered Nutritionist who specialises in working with elite athletes to help them reach peak condition and improve their performance, including medal-winning Olympians, Premier League footballers, Rugby League and Rugby Union players. On ' Days On ' you drink plenty of fluids and eat one light meal a day (about a quarter of your normal calorie intake)and there are clear guidelines, meal plans and simple recipes to help you do this. On ' Days Off ' you can eat exactly what you want, although you are encouraged to follow his everyday eating guidelines to make the best food choices and to get the full health benefits of the diet. A revolutionary approach to weight loss, health and fitness. The D.O.D.O. Diet ends the tyranny of everyday dieting and calorie counting and gets you the results you want, whether you just want to lose weight, are training for a specific sports event or want to protect your long-term health.

"Book and man are brilliant, passionate, optimistic and impatient. . . . Outstanding." —The Economist The landmark exploration of economic prosperity and how the world can escape from extreme poverty for the world's poorest citizens, from one of the world's most renowned economists Hailed by Time as one of the world's hundred most influential people, Jeffrey D. Sachs is renowned for his work around the globe advising economies in crisis. Now a classic of its genre, The End of Poverty distills more than thirty years of experience to offer a uniquely informed vision of the steps that can transform impoverished countries into prosperous ones. Marrying vivid storytelling with rigorous analysis, Sachs lays out a clear conceptual map of the world economy. Explaining his own work in Bolivia, Russia, India, China, and Africa, he offers an integrated set of solutions to the interwoven economic, political, environmental, and social problems that challenge the world's poorest countries. Ten years after its initial publication, The End of Poverty remains an indispensable and influential work. In this 10th anniversary edition, Sachs presents an extensive new foreword assessing the progress of the past decade, the work that remains to be done, and how each of us can help. He also looks ahead across the next fifteen years to 2030, the United Nations' target date for ending extreme poverty, offering new insights and recommendations.
