Sonnet 140 of Petrarch (Tribute to Franz Liszt), composed by Alexander Peskanov and published by Classical Video Concepts, Inc. is a well-crafted warm tribute to a medieval Italian poet and one of the greatest Hungarian composer and piano virtuoso.

The ultimate objective is to train the student through repeated patterns and precise exercises, to acquire a conscious control in these techniques: the use of the whole arm for lateral freedom and arm weight, the forearm for rotation (Alberti bass and similar patterns) the wrist for flexibility in phrasing and the fingers for dexterity in passage work.
