"Jonathan Janz does several things immaculately well in Savage Species, primarily crafting high-octane action sequences and creating antagonists that you can easily hate in the span of only a few short paragraphs...Overall, Savage Species delivered the goods." - High Fever Books Jesse thinks he's caught a break when he, Emma (the girl of his dreams), and her friend are assigned by their newspaper to cover the opening weekend of a sprawling new state park. But the construction of the park has stirred an evil that has lain dormant for nearly a hundred years, and the three young people—as well as every man, woman, and child unlucky enough to be attending the Algonquin Falls grand opening—are about to encounter the most horrific creatures to ever walk the earth. FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing. Launching in 2018 the list brings together brilliant new authors and the more established; the award winners, and exciting, original voices.

This supplement provides the definitive treatise on the drow, arguably the games most evocative evil race. Everything readers want to know about drow and their subterranean homeland can be found in this tome.

adventure is packed with plots, subplots, sinister conspiracies, and action on a grand scale.

This new D&D sourcebook details various races that dwell in the wilderness, offering Dungeons & Dragons (players extensive information on the classic races of elves and halflings, new rules, information for interaction, new spells, and new magic items attuned to each race.

The Blood of Dragons Flows through Your Veins In ages past, dragons ruled supreme. Now their distant scions, the races and individuals who carry their blood, live among the great empires of the world, where they forge their own glorious legacies. You can be among them. Embrace your draconic heritage, and the spoils of the world can be yours! This supplement for the D&D® game provides detailed information on the psychology, society, culture, behavior, religion, and folklore of the dragonblooded races, including kobolds and half-dragons. This book introduces two new player character races: the dragonborn (existing characters reborn in a new draconic form to combat and destroy the spawn of Tiamat) and the spellscales (artistic, philosophical beings with a penchant for sorcery and a thirst for new experiences). It also provides new prestige classes, feats, spells, magic items, equipment, and guidelines for crafting adventures and campaigns involving dragonblooded races. For use with these Dungeons & Dragons® core books Player's Handbook™ Dungeon Master's Guide™ Monster Manual™

This all-new sourcebook provides D&D players with a wide choice of variant rules for alternate roleplaying in a D&D campaign. Designed to expand the options available for customizing gameplay, the rules are modular and can be imported into any campaign and in any amount desired. (Games)

The essential handbook integrating fear and horror into D&D play, this guide provides everything Dungeon Masters need to run a horror-oriented campaign or integrate elements of creepiness and tension into their existing campaigns.

Fantasirollespil.

Clerics and paladins are two of the Dungeons & Dragons game's most popular classes, and this handbook contains guidelines to customize both.

The Miniatures Handbook is the newest accessory for players who want to add depth and dimension to their roleplaying game or their miniatures experience. As with other D&D accessories, this title contains new feats, spells, magic items, and prestige classes, and is one of the few titles that adds new base
