Wants their buildings to be cool in summer, warm in winter, the humidity to be predictable and regular; and they want to minimize pests and allergens.

- Wants to be able to get a permit and insurance, and resell their homes if they want to; or pass them on if they can.
- They want a smaller home that

is "just right" for their budget, time, ability, energy use, and maintenance. They want to make their home easy to manage, maintain, and get around in, even if they are in a walker or wheelchair. They want their home to feel like it is made from and relating to the earth: in views, in light, in fresh air,
