The 50 States Guide Book is much more than just another book of maps of the United States. This book was made to be something different: to be your guide to each state from the inside. We believe that every state has a story to tell, and we wanted those stories told all in one place. Each state's section is packed with essential and curious information, such as history, current events, facts, trivia, beautiful illustrations, and close-up views of natural and cultural sites of great importance in every state. In addition, you will discover state flags and nicknames, state flowers and birds, and even fun and interesting laws! Each state's map also contains information about its neighbors, borders, and waters.From sea to shining sea, from the arid West Texas to the icy glaciers in Montana, America is one of the largest, most geographically diverse countries in the world. With world-class cities to boot, it's worth exploring every corner of this great nation. Take a browse through the book and learn about all of them!We're sure you'll enjoy reading through our overview of every state, and we had so much fun preparing it for you. Plus, at the end of the book, you will find a gallery of the Presidents of the United States from its foundation to the present day, with dates of presidencies and names! We added this historical bonus just to make our book even more informative and interesting.
