Craft of Problem Solving, 3rd Edition introduces a problem-solving approach to mathematics, as opposed to the traditional exercises approach. The goal of *The Art and Craft of Problem Solving* is to develop strong problem solving skills, which it achieves by encouraging students to do math rather than just study it.

Wiley also signed and dated the work in the same place as David, on the horse's breastplate. The background of the upper three-quarters of the painting is a decorative red and gold Baroque brocade pattern. Throughout the background, small white sperm can be seen swimming against the deep red pattern.
